

Here's what's happening here on Main Street USA.

SAM:

Sam is a has made the great leap to middle school. He is a budding presidential historian and recently won the National Current Events League Award for his class. Sam is also enjoying his time in Boy Scouts. Sam and Kathleen both went on a mission trip to Tanzania this summer.

TIM:

Tim is now living in a fraternity at UMass-Amherst, Delta Upsilon. He's considering a dual major in Communications and Economics and lifeguarding on campus. His pool is the very pool where his father's volleyball team used to throw him in at the end of the season.

KATHLEEN:

Well, after 7 years of middle school, Kathleen has finally graduated to the high school! She is really enjoying her time there. She is scheduled for a procedure the week before Christmas so keep that in your prayers. Gourmet cooking is her new passion, much to our delight!

AL:

Al is actively working in real estate and using his newly acquired graphic and web design skills by starting a web design firm. This past summer he played volleyball in his 25th Bay State Games and a month after that, was in surgery with a blocked carotid artery. (How it was found was a miracle!)

We hope that this finds you well and that you are blessed this coming year! Quaaaaaaaaaaaaaaaaaak!
